

# Hosea 6:1-3 [Capo 5 G]

[Default Arrangement]

**Intro:**      **G**

**G**                      **C**                      **D**  
Come let us return to the Lord

**Am**                                      **G**  
For he has torn us, that he may heal us

**G**                      **C**                                      **D**  
He has struck us down and he will bind us up

**Am**                                      **G**  
After two days he will revive us

**Em**                      **D**                                      **C**  
On the third day he will raise us up

**Em**                      **D**                      **C**  
That we may live before him

**G**                                      **D**                                      **C**  
Let us know, let us press on to know the Lord

**G**                                      **D**                                      **C**  
His going out is sure as the dawn

**G**                                      **D**                                      **C**  
He will come to us as the showers

**C**                      **G/B**                      **Am**                      **D**                      **G**  
As the spring rains that water the earth
