would I have told you that I go
      C      Bsus      F       Fsus      F
to prepare a place for you?

         C         F/A              Bb
And if I go and prepare a place for you,
             C             F/A            Bb
I will come again and will take you to myself,

that where I am you may be also.
